Summary

Hello! I'm Anwar Ali, a passionate and dedicated Frontend Website Developer with a strong foundation in HTML5, CSS3, JavaScript, React.js, and Responsive Design. I specialize in creating visually engaging, user-friendly websites and turning creative ideas into interactive web applications. My expertise includes crafting seamless, responsive designs that adapt beautifully to any device using tools like Bootstrap and Tailwind CSS.

Education

Higher Secondary Certificate (HSC)

Uttarakhand Board of School Education

Completion Year: 2015

Secondary School Certificate (SSC)

Uttarakhand Board of School Education

Completion Year: 2013

Skills

- Programming Languages & Frameworks: HTML5, CSS3, JavaScript, React.js, WordPress, Python, express.js, MongoDB, REST APIs.
- Design & Tools: Bootstrap, Tailwind CSS, Responsive Design, Gradient Schemes, Microsoft Office
- Soft Skills: Attention to detail, Creativity, Collaboration, Problem-solving

Projects

- Responsive Portfolio Website
 - Designed and developed a fully responsive portfolio website showcasing my skills and projects using HTML, CSS, and JavaScript.
 - Features advanced functionality such as autotype filters for names and a gradient color scheme.

- Interactive E-Commerce Website (Demo)
 - Built a mock e-commerce site with React.js featuring a dynamic product catalog, shopping cart functionality, and responsive design.
 - Implemented state management using Redux.
- Dynamic Weather Application
 - Created a real-time weather app using JavaScript and an API integration to fetch weather updates.
 - Ensured a user-friendly design optimized for all devices.

Language

English: Advanced

Hindi: Advanced
